

After a World Event has taken place the HO, of the hosting National Governing Body (NGB), will take all reasonable actions to ensure that any monies owing by teams participating that event shall be paid.

It is incumbent on the HO to ensure that all major items of spend that are being arranged through the HO e.g. accommodation, are paid prior to the start of the event.

If monies are still owed six (6) months after the conclusion of the event, and agreed payment plans between the HO/NGB and the defaulting Member are not in place, then on FIL being satisfied that all reasonable steps have been taken to collect the outstanding amount, the debt will move from the Host Member to FIL.

FIL will reimburse the Host Member (where possible by reduction of any event payments expected otherwise by offsets against future payments or a direct payment).

FIL will advise relevant Members of the debt movement.

Any Member owing money will not be permitted to take part in any future FIL event until the debt is cleared or an agreed payment plan is in place.

Before taking action FIL will satisfy itself that the amounts owing are appropriate by inspection of HO documentation and financial records.
