

**Women's Field Lacrosse
2017-2018 Trial Rule
for 2018 General Assembly**

Trial Rule # 3	2018 W Field - T3	Descriptor
Rule 11.D		Duration of Play

The clock is stopped on the umpire's whistle **within the last 30 seconds of each period**. When play is stopped prior to the last **30 seconds**, the timer will stop the clock when it reaches **30 seconds** if play has not resumed.

Remove D.1 Exception

Rationale: If this rule is adopted, it will remove the need for a yellow flag and a red flag during stopped clock play.

30 seconds is preferred so that vital play including last second goals, or free positions, will stop the clock.
