

WORLD LACROSSE DEVELOPMENT COMMITTEE QUESTIONNAIRE

EMERGING LACROSSE NATIONS

The FIL Development Committee provides resources to assist emerging lacrosse nations under the following conditions:

- The sport is being introduced within an educational system or solid organizational structure.
- A clear, unified leadership group within the nation is identified.
- A Development Questionnaire is submitted by the nation.
- A three-year development plan is prepared and submitted to the Development Committee (the Development Committee can provide assistance with this as needed).

Summary of Questionnaire

- **Section A** - Information about your organization
- **Section B** - Information about available assistance
- **Section C** - How the assistance will be used

B. INFORMATION ABOUT AVAILABLE ASSISTANCE

Assistance with the development of lacrosse in your country may take the following format:

- Subsidizing the cost of lacrosse equipment/equipment grants
- Supplying information/contacts for lacrosse equipment manufacturers
- Resources materials: Instructional Manuals/Videos/Rulebooks, etc.
- Contact names of people in the region who have experience with lacrosse development
- Officials/Coaches willing to travel to developing nations to conduct clinics
- Coordination of team travel to/from your nation

C. HOW THE ASSISTANCE WILL BE USED

11 a) Please indicate what type of assistance would benefit your organization.

b.) Please state what assistance you consider to be required and why.

c.) If possible, prioritize the assistance you require.

12 a) How do you plan to use this assistance?

b) Please try to project potential growth in your nation resulting from Development Committee assistance.

13. Please give any further information on how you envisage the future development and subsequent growth of lacrosse in your country.

A condition of awarding a grant/assistance from the Development Committee is that a written account is given of how this grant/assistance has been used and the results it has achieved. The commitment of ongoing feedback from the developing nation to the Development Committee is a requirement of any Development Committee assistance.
