

Sub-Committee Chairs to be appointed and approved by the Board. The committees will be diverse as possible with representation from non-officials, the Athletes Commission and officials. It would be preferred if the appointed Chair does not come from "Officiating".

Sub-Committee Chairs to be appointed and approved by the Board. In the future there may need to be a an Indoor Officiating Committee should the Men's Officiating Chair not have the necessary skill set to manage this domain.

Committee Chair to be appointed and approved by the Board. Initial focus will be on officiating, however the Board may elect to widen the scope and add additional sub committees to deliver E&T in other areas of the business

FIL Technical Areas V4 - May 9 2018
