## **FIL World Indoor Considerations**

Could I thank all those members who responded to the mailing on possible changes to the World Indoor Championship.

The general consensus and Board views on the various points were as follows:

Blue Division – retain

Timing – stay as is, September / October period

Goalkeepers – not mandatory to have 3 Goalkeepers but advisory that teams have 3 players capable of playing in goal (2 listed per game)

Runners per game – agreed increase to 18

Official Party size – no change, remains at up to 23 players and up to 12 staff

On Floor Officials – stay at 3

Running clock at 12 goals – to be applicable when the differential is 12 after halftime and stays if differential reduced to 11 (no flip flopping),

Announcements during play – no change, goals and penalties only

Awards – no change

The changes will be considered at the General Assembly in July of this year.
