# JULY 21 TO 26, 2015

This Federation of International Lacrosse supported event will be the inaugural international lacrosse tournament held in Latin America. The main purpose of this event is to be a key cog in the international development of lacrosse in Central and South America.

During the American Cup, we will be taking advantage of the union of several Latin-American countries surrounding this event; numerous activities have been planned to support the development of the sport on the rest of the Continent:

- Referee Clinics
- Men's Lacrosse Clinic
- Women's Lacrosse Clinic
- General Development Seminar
- Strategic Plantation workshop
- Lacrosse Festival (tournament along the Cup)

A circular graphic containing a grayscale photograph of two lacrosse players in action. The player on the left is wearing a helmet and a jersey with 'TEXAS' visible. The player on the right is also in a helmet and jersey. The background of the circle is a blurred outdoor field.

# ABOUT

As is common in the Lacrosse community, and in every international tournament which is supported by the International Federation, a festival will take place parallel to the American Cup. This recreational tournament is usually called, "The Festival". The goal being to help bring enthusiastic lacrosse players from around the world, that through the network and friendship expand the community of lacrosse and grow the game on an international level.

This is an open invitation to participate in the International festival for clubs and College teams. It will take place adjacent to the American Cup activities.

The Festival will take place in "Ciudad Deportiva" where the "Formula 1" circuit, the "Foro Sol" Stadium and the "Palacio de los deportes".

---

# JULY 22 TO 26, 2015

In Mexico City Lacrosse has grown rapidly and the Mexico city government, along with the Mexican Lacrosse Federation are seeking to boost Lacrosse in a Macro perspective inside the state and country. The Festival and America Cup will detonate the participation of this sport to a new level. This event is looking for the participation from highest level of lacrosse within College teams, and club teams from the USA and Canada.

The participants will play the first phase on the festival in four groups of three teams each. After three games in each group, the best will proceed to the next round. The winning teams will play the playoffs, and finally, a final championship game will decide the winner.

Every team has five games as minimum, one game every day during the five day festival.
